

Evening Boarding Activities

You are expected to undertake at least two evening activities per week. At the start of each term you sign up for two activities and the expectation is that you go each week unless you have a valid excuse which has been verified by the duty member of staff. Staff members will take a register and notify duty staff of any unexplained absence. You must inform the activity leader of the reason for your absence. On a termly basis activities change and you re-opt, see the student notice board for lists of activities. Example of evening Boarding Activities
