No Strings Attached

Thank you to all parents for their marvellous support for our production of No Strings Attached. A DVD of our production '**No Strings Attached**' will soon be available. Copyright restrictions prohibit us from selling the item. However, should you wish to take possession of a DVD we suggest a donation to production funds of **£5.00** as an appropriate sum to cover costs.

Your children have all worked extremely hard and the DVD will be a lasting reminder for them of this! If you would like to order a copy please e-mail your request to Mrs Dianne Pearce, Junior School Secretary at dianne.pearce@lvs.ascot.sch.uk and the donation of £5.00 will be added to your school account.

Year 1 to Year 5 photographs have now been distributed to pupils. We are still waiting for some of the Year 6 photographs. If you have not received your photographs and are a parent of Year 1 to 6 our photographer Van Cols can be contacted on 01206 271521

New life for old school uniform?

With the forthcoming changes to some of the school uniform, some of you will have uniform items that have been replaced or are no longer required. In order to make the best use of this clothing, the PTA have made arrangements with the Bethany Christian centre to send items to children in Uganda. So if you are able to keep old of items that you would otherwise have thrown away during the summer, we will be arranging some dates for collection early next term and will send further details nearer the time.

Thank you for your support in helping us to recycle old uniform and providing help to needy children.
