

LVS ASCOT

SIXTH FORM SUBJECT CHOICES 2018/19

Students should select three subjects to study over the next two years. All Year 12 students will commence an Extended Project Qualification (EPQ) which provides an opportunity for students to extend their abilities beyond the A level syllabus. Please return the form for the attention of Mr Padrick by 10th November 2017 for current LVS Ascot students and ASAP for external applications.

NB: ① Further Mathematics as an addition to Mathematics involves studying 12 Units over 2 years. For more details please contact Mr Bignell, Head of Mathematics.
