

## LVS ASCOT SIXTH FORM AWARDS 2019/20

We are delighted to offer a wide range of awards for students entering Year 12 in September 2019, whether a current student or new to the school. The level of support could be as high as 50% off day fees and all applications will be considered on an individual basis.

**Subject specific awards** Subject specific awards are given to all academic and vocational subjects. These awards range from £1000 per annum to 20% off days fees per annum. To apply for this award you must be able to demonstrate academic excellence in a subject and plan to study the subject in the Sixth Form.

**Hospitality award** The Worshipful Company of Inn holders has generously agreed to provide funding for LVS Ascot to offer bespoke Hospitality training from September 2019. A scholarship of £8000 towards school fees to study BTEC Hospitality will be available along with an initial student bursary of £2000. To apply for this award you must demonstrate a very keen interest in studying Hospitality at level 3 and have career aspirations to work within the industry.

**Sixth Form awards** Sixth Form awards are given for those who excel in one or more academic/vocational subjects and contribute significantly to school life. These arrange for 20%-50% off day fees.

**To apply** You should enclose a letter to Mrs Christine Cunniffe indicating why you feel you are a suitable candidate, and outlining the benefits you will gain from an award. Please specify clearly at the top of your letter which award you are applying for - a subject specific award and/or Sixth Form award.

**Internal Applicants** The letters will be used, along with recommendations from Heads of House and Departments, to compile short-lists. Interviews for short-listed candidates will be held at the end of November 2018.

**External Applicants** Please include a letter saying why you are a suitable candidate for an award and how it will benefit you. References will be requested from your current school. Interviews will take place at the end of November 2018.

**Parents** Please write to Mrs Christine Cunniffe directly if you would like to add any comments in support of the application that would not be addressed in the student letter. This is not a formal requirement to be considered for an award.

**Correspondence** All correspondence regarding awards should be sent to:

Mrs C Cunniffe, School Principal, LVS Ascot, London Road, Ascot, Berkshire, SL5 8DR by 10th November 2018.

Interviews end of November 2018. Applications for Sixth Form but not Awards will be accepted after this date.
