LVS ASCOT

1. INTRODUCTION

The school was originally established for the education of children from the licensed trade. Now the school is open to include children from all backgrounds and a wide range of academic abilities. Offering support for those in the licensed trade is still central to the school's aim.

Based on Christian principles, LVS is a non-selective co-educational day and boarding school for children from the ages of 4½ to 18. There is no entrance exam at any level, though an interview with the Principal and a report from the previous school (where appropriate) enables us to offer places to those for whom our style of education seems most appropriate and for those who are most likely to get benefit from what we offer.

LVS Ascot strives to ensure that every child is encouraged to achieve their potential and improve their performance by offering the widest variety of opportunities and experiences in a safe and supportive environment. These may be within the school, the local community or the wider world. Thus, we hope that our pupils will leave us having become caring, confident citizens of the future.
