Welcome to boarding

Welcome to the Boarding Prospectus for LVS Ascot School. I am pleased to be able to introduce you to the vast opportunities that a boarding culture can offer your child.

At LVS Ascot, we are passionate about showing off the wondrous benefits of our boarding community and how it can positively create confident and resilient children, in an environment which is not only conducive to learning but also to care and nurture.

Our aim is to enable your child to grow in stature, while learning respect for others and embracing other cultures. We appreciate that every child is different and therefore boarding is structured to enable our pupils to thrive and develop as young individuals, ready to embrace the world.

Our team of highly experienced boarding staff are knowledgeable in their field, enabling you to have the confidence that your child's wellbeing is catered for at every milestone in their boarding journey.

At LVS Ascot, we offer a range of boarding packages from full-time and weekly boarding, to flexi and occasional boarding.

I look forward to welcoming you soon to our boarding houses and to give you the opportunity to experience boarding in action!

Assistant Head – Head of Boarding

Boarding key principles

- Development of the whole person: physically, spiritually, intellectually, morally, socially and emotionally
- Create an environment of positive praise and reinforcement, mutual respect and the right to be treated as an individual
- The right of the individual to not suffer any form of abuse and enjoy equal opportunities
- The right to privacy
- Supportive links with parents and guardians

Boarding aims and objectives

- Create a safe, secure and comfortable environment for all of our boarders
- Provide a range of experiences, opportunities and conditions that will encourage self-development: physically, spiritually, intellectually, morally, socially and emotionally
- Instil an ethos where our boarders are confident that they will be treated with respect as an individual
- Create an atmosphere detrimental to all forms of bullying
- Develop a sense of responsibility for self, others and the environment
- Develop boarders' qualities of leadership and teamwork
- Encourage supportive relationships between boarders, staff, guardians and parents

Boarding houses

At LVS Ascot we have four boarding houses spread out across our spacious campus. All of our houses offer a welcoming and supportive environment, each managed by a team of experienced and dedicated staff, including a Boarding Housemaster/mistress, Senior House Assistant and a Graduate Boarding Assistant.

Round the clock supervision and care provides a holistic approach to nurturing the development of your child, encompassing their educational and pastoral needs at every stage of their journey with us.

Boarders live together with the sense of family at the very heart of our school community. Integrating with young people from across the world and from completely different social and economic backgrounds, instils values of tolerance, empathy and understanding.

“ All parents of boarding pupils agree that the boarding experience has helped their child’s progress. ”

ISI Inspection Report, May 2019

We have worked with LVS for many years as guardians for their international students. We are fully aware of how supportive, well organised and well staffed they are, but we’re still surprised at how they’re available to support their international students 24/7. Well done to you all, happy children, happy parents.

Flexi and occasional boarding

£80 per night

Ad hoc stays

We also love to offer boarding for your child for when commitments prevent you from making the evening pick-up. We just need to know when, and for how long your child will be boarding with us. £80 per night.

If planned internal school events are taking place (e.g. WoW or PTA meetings) parents can be offered a separate rate of £50 per night.

For further information on flexi/ad hoc boarding, please contact Bradley.Hunt@lvs.ascot.sch.uk

Testimonials

“ Their communication, approachability and openness to us as parents have made us feel involved and part of the LVS community every step of the way. Our son feels totally secure, at home and loves the sense of community, belonging and loyalty in his house; to be entrusted to take on leadership and responsibility roles has been a real high point for him. We know that our son’s full potential will be unlocked by LVS and very highly recommend it to anyone who is looking for a brilliant school for their child. ”

Jules and Sammy Sampson

“

We feel very lucky to have found boarding at LVS Ascot. It has given our son and our daughter the chance for a wonderful stable education with amazing opportunities, brilliant supportive staff and lifelong friendships.

Kay and John McCrann

“ It is not easy sending your children away to school – but I needn’t have worried. My son was so happy and busy he didn’t contact me for at least two weeks! He flourished in the boarding community and turned from someone who had lost his confidence to an independent, happy and confident young man. My daughter has also had a wonderful experience – she was a girl that would not leave my side and got homesick easily, but the school was amazing and she never looked back. She is off to Ecuador next year, which simply would not have happened if she did not go to LVS and boarded. Thank you to the whole LVS boarding staff team. ”
