Introduction

Welcome

Dear Parents / Guardians,

Thank you for taking the time to look at The LVS Ascot School Bus Services for the 2024-2025 academic year. This is the inaugural version of such a guide, which sets out the wide range of travel options available to the pupils at LVS Ascot.

From September 2024, LVS Ascot have appointed Vectare, a specialist school transport management company, to manage the school bus services. Vectare are responsible for over 2.5 million independent school journeys a year. Vectare will manage all aspects of the school's service, and any enquiries can be directed to their team at lvsascot@vectare.co.uk.

All bookings for school bus routes are made via our online booking system, which can be viewed at lvsascot.vectare.co.uk. This means that you no longer need to complete any paper forms. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

This guide provides an overview of the school bus service network and contains further details including fare and timetable information.

All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a school bus as a one off, you can make a booking right up until the bus is due to depart.

Other amendments and changes can also be made via the '[my account](#)' section of the website.

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact us via the bookings website and we will be pleased to assist.

I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

Yours faithfully,

LVS Ascot Transport Team

Terms & Conditions

1. This agreement is made between all school bus passengers, their parents and LVS Ascot in order to provide safe, comfortable and civilised journeys for all passengers.

2. Arrangements for pupils' journeys to and from the school are the responsibility of their parents. To assist with discharging this responsibility, LVS Ascot provides a transport service.

3. Transport on the school bus service must be arranged in advance. If you wish to use the school bus service on an ad hoc basis, or to vary the details of their bus travel as a one-off, you should book travel via the website prior to travel. Payment for the service is made online at the time of booking and your child's name will automatically be added to the register.

4. Bookings on the school bus service are non-refundable in the event of a pupil failing to travel. Bookings are to be made online via lvsascot.vectare.co.uk.

5. It will be the parents' responsibility to inform the school via the 'Contact Us' form on the website if they no longer wish to use the school bus service. A half school term's notice must be given by a parent prior to the removal of a pupil from the school bus Service (apart from an ad-hoc journey). If an ad hoc journey is cancelled with more than 24 hours' notice the booking can be transferred to another journey. The cancellation can be made on the system but parents need to contact Vectare to apply the booking to a future date.

6. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by them or their parents. Pupils must travel to and from LVS Ascot in full school uniform or a full school PE kit (except on approved non-uniform days).
7. Pupils should be at the bus stop five minutes before the scheduled time of departure to ensure they don't miss the service. In the evening, parents should be at the bus stop five minutes before the estimated time of arrival to collect a passenger.

8. Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, eating, playing music, or any other misbehaviour is strictly forbidden.

9. Except when embarking or disembarking, all passengers must remain seated with their seatbelts fastened correctly.

10. Whilst on a school bus, all passengers must accept without question the authority of a transport company official or school member or staff who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.

11. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service.

12. LVS Ascot aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however, timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time. This will not apply to the afternoon journeys due to having estimated journey times that will change on a daily basis.

13. Pupils must be in Year 5 or above to travel on the school bus service.
